

COVID-19 Update

Our SALE is Live

During these unprecedented times, we at mebl | Transforming Furniture want to share our wishes of health and safety for you and your loved ones.

As a small business -- focused on elevating small-shop furniture makers from around the US and the globe -- we feel the effects of COVID-19 in many directions. Here is an update:

- **Our SALE is live:** Look for a bright red “50% off” sticker on most of our products.
- **While shipping will be delayed, we are still happy to process your orders:** Due to the [executive order](#) of the Governor of New York, all non-essential businesses are required to close for the time-being. Although we are currently unable to access our furniture inventory, we are happy to process your orders. We will stay in close touch with you to provide periodic updates and arrange delivery at a future date.
- **All sales are final:** All purchases at the 50% discount are final.
- **Our team is operating virtually:** Please feel free to contact us with any questions, projects, or needs at info@meblfurniture.com and 917-847-6189.
- **Our showroom is currently closed, but our website is open:** Browse our website, learn about our artisans and [shop 50% off on most of our products.](#)
